

Start-up Business Services

For transitioning business people and small evolving businesses

Business Coaching

One to One Coaching to enable you to achieve your goals in a more focused and achievable way. We can help you to:

- ◆ Focus on what you really want to do with your business idea
- ◆ Make the jump into a new career or direction easy
- ◆ Unblock what's holding you back from making the transition
- ◆ Move forward with confidence and congruence

An individual or series of 1 ½ hour sessions with one of our Business Coaches on a face to face or telephone basis.

Business Development

When you've finished the Practitioner training and have ideas for your new business venture or enhancing something you have already begun we can help you to:

- ◆ Make a business out of what you love and are great at doing
- ◆ Identify your product, service and niche
- ◆ Gain insights into your client market
- ◆ Get you off the ground and start getting in business contracts
- ◆ Get even more out of your investment in the practitioner programme

An individual or series of 1 ½ hour sessions on a face to face or telephone basis.

These services are for NLP Practitioners and above.
